ABRIDGED INDEX MEDICUS

ABRIDGED INDEX MEDICUS

To meet a recognized need of the practicing physician, the National Library of Medicine has begun publishing ABRIDGED INDEX MEDICUS — an inexpensive, monthly index to articles found in 100 leading English-language journals. Each 100-page issue will contain citations to articles in all fields of clinical medicine, with entries arranged by subject and author for quick access to the titles of interest.

Subscriptions are \$12 per year, \$15 foreign. (See reverse for order blank.)
